Skills & Tools

Visual Studio and VS Code, Javascript, NodeJS, HTML5, CSS3, Bootstrap, jQuery, Mongo, SQL, C++, Java

Profile:

Self-driven Full-stack Developer with a background in computer science and web development. Recognized for quickly learning new information and communicating it in an easy to understand format. Proven ability to adapt to changing environments while meeting common goals.

Education:

Bachelor of Science, Computer Information Systems
Web Development / Programming | The University of Akron, Akron, Ohio
- Minor in Computer Science
- Expected Graduation: Spring 2019
- Grade Point Average: 3.845/4.0

Web Development Bootcamp, Full Stack
Case Western Reserve University, Cleveland, Ohio
- Graduation: February 1st, 2019

Work Experience:

Inventory Specialist | Best Buy | 11/2015 – Present

- Maintain organization and inventory integrity
- Assist customers with large items after purchase
- Unload merchandise from trucks

Activities and Interests:

I play soccer and golf, love to fly drones, and am always looking at the newest consumer electronics. I also like looking at DIY programming projects and experimenting with raspberry pi and Arduino computers.

Availability: Spring 2019
